Colony Soggy Days

The Soggy Days of Palmer Colony Days started off with a great car show in down town Palmer. The library parking lot, where the car show had been in the past, was occupied by Golden Wheel Amusement and the street between the parking lot and the railroad tracks was closed for street vendors. The rain started after the street for the car show was closed and the cars started arriving but it wasn't enough rain to stop the 38 car owners from having a great time. The awards they presented were professionally framed posters of this year's Colony Days poster and coins there were minted for the Matanuska Colony in the 1930s. Photos of the winners and their cars are on pages 8.

The bed race was on Saturday morning, not Friday evening as previously announced. There were five entries including our own Midnight Sun *Sun Racers*. Otto Binder donated a gurney and Niel Noll with the help of Rick Nissen fixed it up to look like a neat race car with a Lincoln grill, tail pipes, and flames.

At race time, we had Nat Gardner as the passenger and the runners were Niel and Vivian Noll, Lenny Olson and Ray Elleven. The race had five entries and was a Chicago style shoot out. The teams drew numbers and raced in pairs against the clock with one team having a bye-run. The two teams with the best times paired off in the final for the all the marbles. We were in the second round racing the eventual event winner the Speakeasy Racers, or was that *Sleaze*

The Midnight Sun *Sun Racers* and the *Speakeasy Racers* line up on the starting line..

Racers, at team of ladies who were half our age and had definite weight advantage.

When the starter fired the gun, we were - off foot board to foot board. Both teams made turn one with the skill of a NASCAR driver. We were gaining on the competition and about cross the railroad tracks when disaster struck. We blew the front left tire causing us to swerve. The front right wheel was at an angle when it hit the railroad tracks stopping our entry cold with the runners continuing.

Left rear runner Vivian and right front runner Neil managed to only stumble and escape injury. Bed rider Nat slid off towards the front of the gurney landing on her feet like a

Rick and Kim Nissan have won Best GM, Best Muscle Car, and People's Choice. Well, the streak is over, Ray *Ellever*, and his El *Camaro*, (That is how the judge at Palmer pronounced them) won Best Truck and Best of Show. Do you think he can beat Rick and Kim?

I would like to thank Neil Noll for the work he did on the bed for The Colony Day's Bed Race. A good time was had by all, even Ray! Ya see, we crashed, we made it thru turn 1 and on the up hill climb we blew a tire, then hit the rail road tracks and broke an axle, this caused us to go

A— over Tea kettle. Ray got his shoulder dislocated and a few other cuts and bruises. I ended up with a few bruises and aching bones. Nat, Vivian and Neil watched as the two larger guys rolled on the ground. It was fun. I think next year we should get someone a little younger and in better shape to do the pushing.

This Tuesday the 21st is the Rumble at Mirror Lake. Don't forget the PIG-NIK is the 16th of July. The first 22 people to arrive after the parade will get Tee shirts and dash plaques. See you there!

folks at the Museum of Alaska Transportation and Industry in Wasilla on Sunday, July 24th for the best automotive expo ever!

If you are wondering just what kinds of cars are included, the Club defines CCCA Classics or Full Classic Cars as "fine or unusual motor cars which were built between and including the years 1925 to 1948. All of these are very special cars which are distinguished by their respective fine design, high engineering standards and superior workmanship." A sample of some of the fantastic cars included in this year's CARavan are an Auburn, Bently, Packard, Rolls Royce, Pierce-Arrow, BMW and many more!

In addition to this special visit from the CCCA, CAR CLUBS FROM ALL OVER CENTRAL ALASKA have been invited to participate. So join us for food, fun and great cars on July 24th! For more information call the museum at 373-1212 or Tonya Cribb at 357-0473.

Kool Kruz

KOOL-FM radio did it again, another great show. Even with the rain, there were almost 100 cars entered at the Northway Mall where there were door prizes, coffee, and the famous show and shine.

Normally, the KOOL-FM on air personalities pick the award winners at the mall and announce the results at Alaska Raceway Park. This year, because the rain had the race track's sound system out of commission, the winners were announced at the mall.

Once the formalities were over at the mall, most of the 100 or so entries cruised to Alaska Raceway Park with some of them dropping off at the edge of town or Eagle River. About 40 cruisers made it to the race track where there was plenty of hot dogs and bench racing. Normally the track is open to *run what you bring* but rain spoiled it for this year.

Overall it was a fun event despite the rain. Mark your calendar for May 20 2006 for the next KOOL Kruz when our own George Glassman will be the sticker car.

Above: Duane Clausen won Super 70's with the MSSRA 1970 GTO Raffle Car.

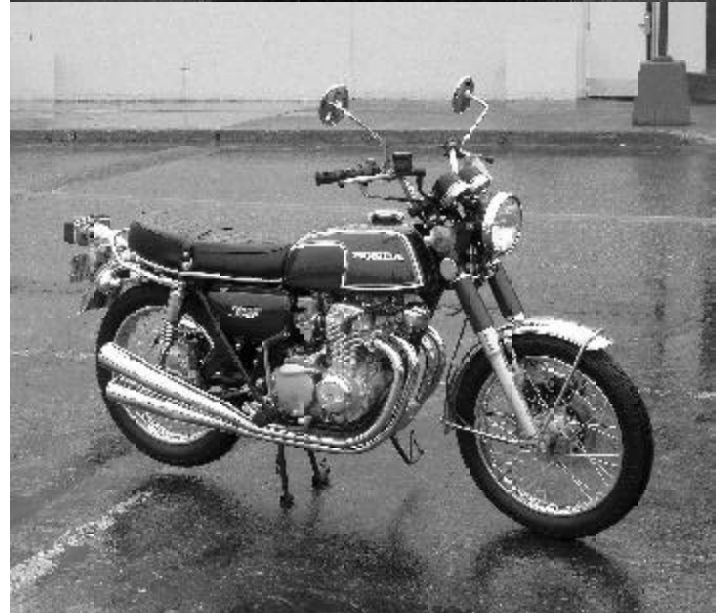

George Glassman 1965 Mustang took home the Slick 60's award and will be next year's sticker car.

Middle Right: Dave & Terry Erikainen won Bad to the Bone with their 1932 Ford Coupe

Jennifer, the blonde from Warsaw who graduated from Texas A&M, and her friend were enjoying each others company over a cocktail under a brilliant night sky, when her friend asks, "I wonder which is further, London or the moon"

"Aaah Hello," says Jennifer, "can you see London from here!"

Above: Valley Cruiser John Turnage won Class Act with his 1965 Chevy Pick Up.

Top Right: Liz Pinky's 1955 Pink Metropolitan won the Wild Card award.

Center Right: Bad Bike went to Sherman Jackson and his un-restored 1973 Honda 350.

Bottom Right: Fred Sherman of the Antique Auto Musher Member took home the Nifty 50's award with his cool 1950 Ford Sedan.

Below: The KOOL-FM PT KOOL Cruiser award went to Larry Carne's 2003 PT Cruiser.

Not shown is Anchorage Corvette Association Member Mike Sheers's 1965 Corvette Coupe which won Best Vette.

Check It Out Auto

Mike & Alison Verbos hosted their annual Memorial Day Weekend car show at their *Check It Out Auto* sales lot in Wasilla. About 40 cars showed up for the event filling the lot. Hot dogs, soft drinks, and a few other goodies were offered along with a few neat door prizes. If you missed this year's event, mark your calendar for next Memorial Day weekend for another fun time. Thanks to Mike and Alison for a great event.

Above: This outstanding 1953 Buick owned by Roger Lavoie won People's Choice and Best Original Car. If you want to learn more about this car, check out his web site at: <http://www.mtaonline.net/~nwsigns/1953buicksuper.html>
Bottom Right: Dave & Terry Erikainen did it again, winning Best Hot Rod with their 1932 Ford Coupe.

Above: KB Bettisworth walked away with Best Truck with his 1954 GMC Pick Up Semi Sweet.

Below: Best Sports Car was won by Joe Inama and his 1963 Corvette Split Window.

Fly By Night

We did it again! Well, almost. Our goal was to sell out all 200 seats at the Fly By Night Club as part of our annual fund raiser for Ronald McDonald House. Instead, the British Sports Cars of Alaska sold 29; the Anchorage Corvette Association sold 29; and MSSRA sold 31 seats for a total 89 seats or \$2,275.

After our cutoff date with the Fly By Night, twelve more seats sold bringing the total seats to 101 and a check from the Fly By Night for \$180 bringing the over all total to \$2,455. Not only that, McDonald's Corporation matches any donation over \$1,000 bringing our total to \$4,910 for Ronald McDonald House! WAY TO GO!!!

Best Muscle Car was won by none other than Kim Nissen's 1968 RS Camaro the Wasilla Check It Out Auto Show.

Raffle Car Update

as of June 15

Tickets Sold: 1,029

Money Raised: \$10,290

Margo Smith, president of the Anchorage Corvette Association, asked Sam's Club if they would like to donate t-shirts for the July 23 Ronald McDonald House Cruise to Kenai. "No, but I can give you \$1,000," said the manger. Discussions of a car show on Memorial Day came and selling raffle tickets at the show came and the manager said, "Sure, and we'll match what ever you raise for Ronald McDonald House!"

Margo says it best. "All we can say is WOW, what a show this turned out to be. We think at last count we had 37 gorgeous cars, all styles, and colors. We want to thank each and every one of you for supporting this very "short noticed" show, we had a lot of attention from the shoppers at Sam's and the traffic going by. The Midnight Sun Street Rod Association, The Volkswagen Club, The Antique Musers and the Anchorage Corvette Association, Inc. were all very well represented! The GTO raffle car had 63 tickets sold for a total of \$630 of which Sam's matched. The Sam's Club donation will go directly to Ronald McDonald through the Anchorage Corvette Club. These matching funds were in addition to the \$1,000.00 donation they agreed to prior to today's show. We hope all of you had as much fun as we did. The weather certainly was working with us, thank goodness! Getting to know folks from other Clubs and working with other Clubs toward a common goal (RMH) can only make things better. Thanks again for all of your support. Take care, Margo and Dave"

Colony Soggy Days continued from page 1

gymnast with a perfect score. Left front runner Lenny went down and rolled receiving only a few scratches and bruises. Right rear runner Ray Elleven wasn't so lucky. When the gurney stopped, his *lighting* momentum carried him past Niel and possibly airborne landing on his right shoulder. Once he caught his breath, he realized his right shoulder bone wasn't where it was supposed to be. Lenny took him to Valley Hospital where he received some fantastic drugs and they reset his shoulder, that is, once they quit laughing.

All was not lost for Lenny. With Ray out of commission, he entered Ray's '59 El *Camaro* (as the award presenter called it the night before) in the Colony Days parade. Other parade entries included Neil and Vivian Noll in their '50 Ford Pick Up; Nat Gardner and her '56 Ford Pick Up; and Todd Bryant in his '55 Chevy Pick Up.

After the parade, several members and friend, including Ray, gathered at Binder's Cadillac Ranch for a picnic and bench racing. Thanks to Otto and Jeri for hosting a fun afternoon in the Valley Sun.

Overall, Colony Days was a fun event. And, if we ever enter another bed race, MSSRA should be the bed owners and hire young athletics to do the running.

Above: Best of Show and Best Truck went to Ray *Ellever* and his 1959 El *Camaro*.

Below: People's Choice went to Howard Erickson and his outstanding 1935 Ford Pick Up.

Above: Lowell Button's 1964 Mustang won Best Original. Bottom Right: Best Muscle Car was won by Dave & Terry Erikainen and their 1932 Ford Coupe. Not show is is the Best Sports Car winner's 2004 Cobra who left before the awards were given.

Summer Solstice Rumble

It's almost here. The 2005 Summer Solstice Rumble at Mirror Lake. June 21st this year falls on a Tuesday. We'll be "rumblin'" from 6 PM until 10PM. Come early if you like because we'll be setting up about 4 PM. If it's not raining and muddy, we'll be parking on the grass again. Instead of parking by clubs, open parking is the way we're doing it this year.

MSSRA will be providing the hamburgers and hot dogs. Both the MSSRA and Valley Cruzers will bring side dishes. The Corvette Club will be supplying the desserts. Thanks to the Valley Cruzers for supplying the grill.

This year we'll listening to one of our own, Johnny Fitts and the Long Gone Daddies play some hot Rockabilly tunes.

Our theme this year is Stars of the 50's so, if you're so inclined dress as your favorite 1950's star like Marylyn, Elvis, James Dean, Dwight D. Eisenhower, or your choice. The Arctic Air Cooled Club will sponsoring the games again this year. The biggest park rule is absolutely NO alcohol. In 2004 the MSSRA took the participation plaque by one car. Let's see if we can do it again.

Why do men's hearts beat quicker, go weak in the knees, get dry throats and think irrationally when a woman wears leather clothing?
